Cleanroom Rule Reminders

Keep in Mind

- Rule 1. Safety First!
  You are responsible for your own safety.

- Rule 2. Leave the area CLEANER than you found it!
Kindly replace any worn or dirty coveralls, boots and hoods.
Gowning

Safety glasses must be worn at all times
Double gloving is the practice of wearing two layers of gloves to increase protection.
**Chemical Safety**

*Chemical Gloves (black gloves)*

1. After use, **RINSE** the chemical gloves thoroughly with DI water
2. **DRY** the chemical gloves with a wipe
3. **DO NOT** pull the gloves **INSIDE OUT** when removing them.
4. **STORE** the gloves organized in pairs.
